ACCOMMODATION GUIDE

The accommodation at The Largs Pier Hotel is among the finest in South Australia. Various upgrades and improvement of the rooms in recent times have seen the Hotel achieve both State and National recognition through the Australian Hotels Association Awards.

The accommodation ranges across three levels (ground level, level one and level two) and offers a variety of room styles for business or pleasure.

Level one and two house the 15 Heritage Hotel rooms which have operated within the hotel since it was built in 1882. The entire southern or 'new' wing of the building encompasses 18 modern, en suite motel rooms.

Rooms are appointed for singles or couples and are furnished with queen size beds, ensuite bathrooms, air conditioning, large screen televisions with foxtel channels, bar fridge, ironing facilities, kettle and hair dryer. Purchased broadband internet access is also available. As you will see in the information to follow we also cater to families and/or friends wanting to share accommodation. Please advise our friendly reception staff at the time of booking should you require a sofa bed to be made up for your stay.

Whatever the occasion or purpose for your accommodation there is a style of modern, well appointed room to suit all tastes. Please read on for information regarding specific room style and configuration.

Accommodation booking enquiries can be directed to Reception by phoning (08) 8449 5666 between the hours of 6.30am and 6.00pm (CST) daily or if you prefer via email largspierhotel@deangroup.com.au.

HERITAGE HOTEL

Heritage Hotel Rooms 1 to 15 are located on the first & second floors of the hotel. These rooms are accessed via a wide 'Grand' staircase which is a feature of the hotel. Due to the historic building being heritage listed we do not offer a lift or escalator (stairs only).
